

ROOSEVELT NAMED FOR VICE PRESIDENCY

ASSISTANT IN NAVY DEPARTMENT WILL RUN WITH GOV. COX

Nomination Was by Acclamation Amid Great Convention Enthusiasm—Even Tammany Organization Joined in Support of New Yorker.

SAN FRANCISCO, July 6.—Franklin D. Roosevelt of New York, assistant secretary of the navy, was nominated for vice-president today by the Democratic national convention and became the running mate of Gov. James M. Cox of Ohio, the Democracy's choice for the presidential nomination.

The first cries of "Cox and Roosevelt" rang thru the convention hall and were mixed with the shouts of the vote of acclamation by which he was nominated without a ballot.

Despite the disinclination of the Tammany organization to accept him Roosevelt's name went over with a band wagon movement during which all other candidates were withdrawn.

Other Candidates Withdraw
James Hamilton Lewis of Illinois was withdrawn early by former Governor Dunne; Governor Stewart of Montana announced his own withdrawal; Edward L. Doheny of California and former Governor Hawley of Idaho were withdrawn and Major General L. D. Tyson of Tennessee in person announced that he would not be a contender, as did David R. Francis of Missouri. Nomination of W. T. Vaughn of Oregon, who had received state primary endorsement was changed into a second for the successful nominee.

Bainbridge Colby, secretary of state, who was considered as a candidate and refused to allow his name to be used, finally was urged to consent if he should be "drafted." As it fell out, the Tammany crowd decided to accept Roosevelt, who brought to the ticket the participation of an administration man, and Colby's name was not considered further.

Mr. Roosevelt was placed in nomination by Timothy L. Ansberry, a former representative from Ohio, who sat as a Cox delegate in the District of Columbia delegation. Seconds sprang from all parts of the convention hall and altho Roosevelt was not formally nominated until well after the business of nomination was taken up, there was never any doubt about it and never at any time was there any opposition. The seconding of his nomination by Governor Smith of New York from the Tammany delegation clinched it.

Senator Robinson of Arkansas, permanent chairman of the convention, was appointed chairman of the committee to notify Governor Cox of his nomination and Chairman Homer S. Cummings of the Democratic national committee was appointed chairman of the committee to notify Mr. Roosevelt.

During the closing moments of the convention the usual formal resolutions affecting the national committee and the convention organization were adopted with a resolution expressing the thanks and appreciation of the convention to the city of San Francisco.

Even Tammany
The gossip about convention hall was that the Tammany organization with whom Mr. Roosevelt has not always been on good terms was disinclined to accept him at first, but in the language of the politicians who were working for Roosevelt, "Tammany decided to swallow him."

Governor Smith of New York finally took the platform and told the convention he had been instructed by his delegation to second Mr. Roosevelt's nomination. Some of the political managers recalled that today was the second time that political leaders of the state of New York had against their will accepted a man named Roosevelt on the national ticket. The late Thomas C. Platt was reluctant to accept Theodore Roosevelt for the vice-presidential post in 1900 and the Tammany organization was reported to more favorably inclined to accept Franklin D. Roosevelt today.

After Governor Smith had seconded Mr. Roosevelt's nomination the band wagon got into full force and one after another candidates who had been placed in nomination or those who had spoken for them, took the platform and withdrew their names.

Former Governor Dunne withdrew James Hamilton Lewis, the name of David R. Francis was next withdrawn. The name of Edward L. Doheny of California was withdrawn. Maj. Gen. L. D. Tyson of Tennessee personally took the platform and withdrew and then Senator Nugent withdrew the name of former Governor Hawley of Idaho. Joseph E. Davies of Wisconsin withdrawing his own nomination by inference, pledged Wisconsin to the support of Mr. Roosevelt.

ELKS GRAND LODGE TO MEET NEXT IN LOS ANGELES

William McAbbott of San Francisco is Chosen Exalted Ruler

CHICAGO, July 6.—William M. Abbott of San Francisco, was elected Grand Exalted Ruler of the Elks at today's executive session of the grand lodge, and Los Angeles was selected as the meeting place of the national convention next year.

Fred C. Robinson of Dubuque, Iowa, was re-elected grand secretary and P. J. Brennan of Denison, Texas, was retained as grand treasurer.

A report from Grand Secretary Robinson, approved by the board of grand trustees recommended that a permanent home and administration building be erected with facilities for serving 700,000 Elks in the United States, in "some centrally located large city."

Grand Lodge delegates from Michigan today adopted resolutions naming William W. Montain of Flint, a candidate for grand exalted ruler next year.

In a baseball game the Milwaukee Elks nine defeated Chicago Elks 14 to 6.

The new board of grand trustees, named today is composed of John Halpin, Kansas City; C. F. J. McCue, Cambridge, Mass.; Patrick J. Powers, Jersey City; George D. Locke Rogers Ark.; and W. E. Drislane, Albany, N. Y.

Members of the new grand forum are Henry L. Kennan Chief Justice, Spokane, Wash.; P. A. O'Boyle, Wilkes Barre, Pa.; Robert W. Brown, Louisville; William J. Conway, Grand Rapids, Mich., and John G. Price, Columbus.

TWO NEGROES ARE BURNED AT STAKE

Sheriff Quoted as Declaring One of the Men Burned Was Not the Right Party.

Paris, Texas, July 6.—Irving and Herman Arthur, negroes, aged 19 and 28 years, brothers, who last Friday shot and killed their landlord, J. H. Hodges, and his son, William Hodges, on the latter's place northeast of Paris, Texas, were burned at a stake here tonight.

The negroes were captured by Lamar, Texas, county officers and passed last night at Valiant, Okla., and were brought here and placed in jail this afternoon. Late in the day a crowd gathered and stormed the jail, breaking down the iron outer door and taking the negroes. There was no disorder except the yelling of the crowd as the negroes were brought out. The prisoners were taken directly to the fair grounds north of the city where a stake and fuel had been prepared. Here they were burned. The affair was over an hour and a half after the negroes had been taken.

The killing of Hodges and his son is said to have resulted from a dispute over money claimed by the farmer to be owed him by his negro tenants.

Idabel, Oklahoma, July 6.—J. W. Dewitt, sheriff of McCurtain county, Oklahoma, tonight quoted Sheriff C. B. Clarkson of Paris, Texas, as declaring one of the two negroes burned at Paris tonight was "not the right one" and that he was doubtful whether the "other was the right party."

The Paris sheriff went on to Arkansas tonight on the trail of the negroes he believes killed the Texas farmer and his son.

COMMITTEE OF GRAIN MEN MEET

CHICAGO, July 6.—The committee of 16, representing the eighteen grain exchanges of the country met today to finish plans for resumption of trading after three years' suspension. The committee's plans are to be presented to the general conference committee representing all grain interests at tomorrow's meeting.

The general expectation is that the wheat future markets in all eight cities will be opened July 15. The exchange committee recently recommended that trading be reopened then with December delivery favored.

The conference committee comprises an advisory body of 31, including the grain exchange, millers, bankers and wheat growers.

WIDELY KNOWN IOWA CONTRACTOR DIES

Cedar Rapids, Iowa, July 6.—Mike Ford, head of the Ford Paving company of this city, and widely known Iowa contractor, and part owner of a chain of theatres in several Iowa cities, died suddenly at his home here this afternoon. He was stricken by apoplexy while at dinner and died at hour later.

Paris July 6.—Walter Hagen, American golfer, playing in the tournament of the French open golf championship is tied for second place.

DECLARES BOTH OLD PARTIES NOW PROGRESSIVE

Chairman of Committee of 48 Sees New Party Need

NO LIBERALISM IS SHOWN

SAN FRANCISCO, Cal., July 6.—Third party proponents see in the results of the Democratic national convention the certainty of a new political party according to a statement issued here tonight by Howard Williams, national vice-chairman of the committee of 48, which has called a convention in Chicago July 10 to 14 for organization of a new party and selection of candidates for president and vice-president of the United States. The statement tonight said in part:

"The Republican convention adopted a reactionary platform and selected a typical old guard candidate. The people expected relief from the Democratic convention and again their hopes are shattered.

"False issues were created; real issues were ignored; the average people, were disregarded intentionally and a colorless candidate of the conventional type was selected.

"In the Democratic convention as in the Republican everything that savored of liberalism was stifled. There is nothing to choose between either party."

"The people of the United States now demand a new party which will regard sincerely the interests of the voters, a party which offers a constructive program and which assures relief from the tyranny of the 'two party system.' Such a party will be organized. Now is the time."

CLAIRVOYANT HELPS TO LOCATE BODY

CHAMPAIGN, Ill., July 6.—The board of supervisors of Champaign county has allowed a claim of \$50 for the services of a clairvoyant in locating the body of Raymond Geske, a boy who was drowned six weeks ago.

The body was found several days after the drowning occurred. The mother of the boy who lived at Sadorus, in this county, asked that a Decatur clairvoyant, be consulted. According to Supervisor Clarence Holl, representing Sadorus township, he and three other men of his neighborhood visited the clairvoyant and received information which led them to the body. They were told the body had drifted under two bridges and that the head was fast in a barrel. The body was found within two feet of where the medium had designated and the head was fast in a tub.

WILL UNDERTAKE TO FLY TO NOME, ALASKA

WASHINGTON July 6.—Four army airplanes will undertake a flight from New York July 15 to Nome, Alaska and return, a distance of 8,690 miles, it was announced today at the war department. The purpose of the flight is to demonstrate the practicability of commercial air lines to Alaska and thus expedite the development of the territory.

DeHavilland planes, equipped with liberty motors will be used. War department officials expect that the voyage will result in airplane mail routes to Alaska, reducing the time to the states from 30 days to a week or less.

TURNED OVER TO FEDERAL AUTHORITIES

Chicago, July 6.—Following a conference today between General Stuart, chief postal inspector, and the homicide squads, it was announced that Byron Candell and Newcomb Palmer, held for sending letters threatening death to Len Small, Republican candidate for the gubernatorial nomination, would be turned over to the federal authorities at Danville for trial. Candell, it is said, is wanted at Langford, Ky., for murder. The prisoner denied this.

MEXICO ABOLISHES MOVIE CENSORSHIP

Mexico City, July 6.—Provisional President de la Huerta has abolished the moving picture censorship and the censorship department of the ministry of the interior will hereafter be used "to foster rather than hinder the industry" the Excelsior today says.

FOURTH OF JULY DEATH TOLL IN CHICAGO

Chicago, July 6.—Six dead and twenty four injured is the toll in and about Chicago from accidents indirectly due to Fourth of July celebrations. The accidents varied from automobile collisions to airplane mishaps.

HARDING WILL NOT CHANGE HIS FRONT PORCH PLAN

Standard Bearer Busy Preparing Acceptance Speech

SENDS MESSAGE TO GOV. COX

MARION, Ohio, July 6.—Senator Harding the Republican candidate for the presidency, spent a quiet day today receiving but few callers and devoting his time almost exclusively to his correspondence and the accumulation of data for his speech of acceptance.

Immediately after hearing of the selection of Governor Cox as the Democratic presidential nominee, however, the senator sent him a congratulatory telegram while in a statement he said the Ohio governor deserved the nomination but that the selection would in no way alter his plans for a "front porch" campaign.

Amplifying his statement later to the newspaper correspondents, Senator Harding said his purpose as well as that of his supporters was to restore the Republican party to power and that the place of residence of the nominees would have little influence on the outcome of the fight. For that reason the senator said there was no necessity for changing his campaign policy.

Working on Speech

While the actual writing of his speech of acceptance has not yet been started the senator said tonight he expected to begin its preparation within a few days and have it finished by about July 16. He also said it would be shorter than speeches of similar character in the past. He intends to emphasize particularly the restoration of party government in place of "one man government."

Plans for the official notification ceremonies which will be held here on July 22 are progressing rapidly.

Notification at Garfield Park

Instead of having the notification take place at the Harding home, however, arrangements have been made for conducting it in Garfield Park on the outskirts of Marion so that a larger crowd could be accommodated.

It is to be made the official inauguration of the front porch campaign and preparations are being made to care for more than 50,000 visitors expected on that day.

Mrs. Harding was today notified by Rev. Red Fox Skidushu, chief of the federated tribes of Indians that both she and the senator had been adopted by the organization and hereafter her Indian name would be "Snow Bird" meaning worker.

REPUBLICANS WORK ON CAMPAIGN PLAN

CHICAGO, July 6.—Republican chieftains gathered here to formulate plans for the coming presidential contest, were undisturbed at the press reports of a contest from the home state of their candidate.

On the arrival of Chairman Will Hays today work was immediately begun on mapping out the campaign. A series of conferences is being arranged for the near future.

Chairman Hays refused to discuss the nomination of Governor Cox.

The first campaign decision announced was that Senator Harding was to be kept in Ohio, for the greater part of the campaign.

Much satisfaction was expressed about the headquarters in the rumor that General Wood and Senator Johnson were to follow the course set by Governor Lowden.

MEDALS AND TROPHIES GIVEN ARMY ATHLETES

St. Louis, Mo., July 6.—The army athletic championship meet which started here last Friday was concluded today with the presentation of medals and trophies to the winners by Brigadier General E. F. McElhiney, Jr., commanding the seventh division. The ring of war, the final event on the athletic program, went to southern department, winner of the track and field championship.

More than sixty men in the meet qualified for the Olympic trial finals, a number who failed to win first being entered on account of showing they made.

SHELDON CLARK ENTERS RACE FOR GOVERNOR

Chicago, July 6.—Sheldon Clark, commodore of the Chicago yacht club, and vice president of the Sinclair Oil Co., today entered his name as candidate for the Republican nomination for governor in the September 15 primaries.

TRADING IN WHEAT WILL BE PERMITTED SOON

Plans for Handling Futures Are Adopted by Chicago Exchange

CHICAGO, July 6.—Plans for re-opening trading in wheat futures on July 15 virtually were completed today at a meeting of a committee of sixteen representing the eight leading grain exchanges of the country. An advisory committee of thirty-one, composed of representatives of all wheat interests was expected to approve the recommendations of the exchange committee at a meeting here tomorrow.

Few changes were made in the plans decided upon several weeks ago by the committee which provide for trading in December delivery at the start.

Chicago exchange rules provide for delivery of a large number of grades and other exchanges are planning to change their rules providing for delivery of No. 3 grades of grades of wheat on wheat on contract at a penalty of 5 cents.

Minneapolis, Duluth and Kansas City have posted the proposed changes for adoption. Winter wheat is to be made deliverable on contracts at Minneapolis at five cents under spring with the penalty for the other grades on the same basis.

COMMISSION ENDS RATE HEARING

Decision as to Advances Asked Expected in August—Necessity for Some Advance Conceded.

Washington, July 6.—Hearings were closed before the interstate commerce commission today on the railroads' application for increased freight rates.

Decision by the commission is expected early in August in order that the new rates may be effective when the government guarantee expires September 1. It is generally assumed that the forthcoming award of the railroad labor board in the wage controversy will be taken into consideration in adjusting the new schedules.

The railroads under the provisions of the transportation act asked rate advances which would yield an added yearly income of \$1,017,000,000 to provide the six per cent return permitted by the law.

In addition the expense to be created by the expected award of the railroad labor board must be met by further increases the carriers claim.

Opposition on the part of shippers was confined mainly to the rates of the increases asked by the carriers, 30 per cent in the east, 31 per cent in the south and 24 per cent in the west. The necessity for some advance was generally conceded. Many shippers disapproved of general advance on the strict percentage basis as flat increases on certain commodities instead.

CAMPAIGN FUND INQUIRY RE-OPENS

CHICAGO, July 6.—Senator William S. Kenyon of Iowa, chairman of the senate committee investigating campaign expenditures of presidential candidates, arrived in Chicago today and will preside at a re-opening of the inquiry tomorrow at the federal building. Senator Kenyon came from Fort Dodge, Iowa, where he made a Fourth of July address and will return to Washington, Saturday.

It was announced by Senator Kenyon that about a dozen witnesses would be examined at the hearing, including William Loeb of New York, one of the Wood managers; Jake Babler of Missouri and Henry Lincoln Johnson a negro delegate to the Republican convention from Georgia.

S Senator Kenyon said the Chicago hearing was expected to occupy two or three days.

GOV. EDWARDS WIRE CONGRATULATIONS

Jersey City, N. J., July 6.—Governor Edwards of New Jersey defeated candidate for the Democratic presidential nomination today sent a message of congratulations to the victor, Governor Cox of Ohio.

Commenting on the nomination, Governor Edwards said: "I think it is a fine nomination. It is the best the convention could have done. I shall do all I can to help elect Governor Cox."

COMMITTS SUICIDE BY DRINKING POISON

Cedar Rapids, Iowa, July 6.—McKinley Craymer, 22, believing that his wife had left him, because of a quarrel over his drinking, drank poison tonight and died before a physician could reach him.

CANDIDATE COX READY TO SPEAK IN EVERY STATE, HE TELLS FRIENDS

Democratic Nominee Favors an Intensive Campaign all Over the Country—Mildly Criticizes "Front Porch" Plan Advocated by Republicans.

DAYTON, Ohio, July 6.—In a telegram to the Democratic national convention accepting the presidential nomination and thanking the delegates for their support, Governor James M. Cox today intimated he is ready to make an intensive speaking campaign in every state.

His close friends said he will urge his political advisers against a "front porch" campaign such as Senator Harding, the Republican presidential nominee expects to make at his home in Marion.

The governor said, however, that no plans have been formulated and the campaign will not be discussed officially until Democratic national committee members and other party leaders return from San Francisco.

Will Not Resign
Altho he said he had not yet considered the matter he indicated he had no intention of resigning as governor of Ohio in order to devote all of his time to the campaign. He pointed out that Senator Harding had announced he would not resign from the senate.

Governor Cox spent the day receiving old friends at his home, Trails' End, near Dayton and in his office at his newspaper, the Dayton News.

Tonight he motored 25 miles to Middletown, Ohio, to make a brief address to friends and neighbors of his youth.

Hundreds of telegrams, including congratulations from President Wilson and Senator Harding were received during the day, but it was a physical impossibility for the Democratic nominee to answer many of them. Several volunteer clerks were kept busy opening them.

Dayton to Celebrate
Plans were being made by the Dayton chamber of commerce for a jubilation in Dayton at a later date, probably July 15.

When the news announcing the nomination of their fellow townsman was received most Daytonians were in bed. They received their first news of the nomination this morning.

The nomination of Governor Cox was the talk of the town. However, excepting for a picture of the governor on the front of his newspaper building along with late returns of the balloting, there was nothing to indicate that a Dayton citizen had been chosen for the highest honor the Democratic party can give.

Moving pictures were made of Governor Cox late in the day when he climbed the steps to the composing room of his newspaper to receive congratulations from the printers and resolutions of support from the Typographical Union chapel of the paper.

Up From the Ranks
In his talk to his employees Governor Cox said: "The greatest gift that the Al-

CON CON APPROVES DEEP WATERWAY

SPRINGFIELD, Ill., July 6.—Approval of the Illinois deep waterway section for the new constitution including authorization of legislative appropriation of \$10,000,000 besides the \$20,000,000 bond issue already authorized, was given by the basic lawmakers today.

Tomorrow the convention will decide upon the proposal of President Woodward that they recess until September 8. Such action would leave the revenue, judicial, initiative and referendum, and the Chicago and Cook county articles for consideration until then. Almost the entire day tomorrow, however, will be given to reconsideration of the legislative section, which limits Chicago in both houses of the legislature.

ISSUES CALL

Washington July 6.—The comptroller of the currency today issued a call for the condition of all national banks at the close of business on June 30.

WEATHER INDICATIONS AND TEMPERATURES

Illinois:—Partly cloudy Wednesday and Thursday; cooler in north portion Wednesday.

Temperatures
The current, maximum and minimum temperatures as recorded Tuesday were:

The chairman of the woman's party has sent out an appeal for \$10,000 to be spent in Tennessee in behalf of the equal suffrage cause. This party leader should be very careful about the manner in which the money is paid to the Tennessee workers. There have been legitimate campaign expenditures which have caused a great deal of adverse criticism.

Probably Len Small of Kankakee, one of the candidates for the Republican nomination for governor, was not greatly alarmed by the threatening letters recently received. At any rate he was not bluffed into the payment of that \$40,000. Mr. Small has had too many years of experience to be easily frightened. If he were in filmdom instead of in politics the story would have a press agent sound.

No doubt Mr. Roosevelt's name had much to do with his nomination. That name sounds so well that the Democratic leaders no doubt thought it might lure some of the followers of Col. Roosevelt. At any rate, the ticket represents an effort to please more than one faction within the Democratic party.

Just to judge by surface indications, the feathers of William J. Bryan were quite ruthlessly plucked at the San Francisco convention. None of the five planks he advocated were included in the party platform. The presidential nominee has always had the backing of the liberal element in the party, the very leaders that Mr. Bryan sought to defy. But judged by experience, W. J. B. will be on hand at the next national Democratic pow wow, even though he conducted a losing fight at San Francisco.

One thing is certain, Ohio will be the storm center of the coming national campaign, for the nominees of both great parties are resident there. Gov. Cox is now holding office, and both are recognized as party leaders within their own state. Incidentally both men were printers in the earlier years and claim somewhat the same relationship to the "plain people."

Yes, Ohio will be the storm center and a national campaign which at one time promised few features of interest now gives indication that there will be something doing from the days of formal notification clear up to the election.

READ IT IN THE HOME PAPER.

The advantage that the Journal has over other morning papers coming to Jacksonville was again demonstrated Tuesday morning. The Journal announced the nomination of Gov. Cox at the San Francisco convention of the 44th ballot. No other paper coming to the city had later returns than the 36th ballot.

In order to catch the mails papers in Chicago and Springfield must necessarily go to press much earlier than is true with the Journal. It is for this reason that Journal readers have come to know that the telegraphic news carried in their local paper is later than that in other publications.

Incidentally it is proper to mention the convention service provided by the Associated Press. A trained staff of editors and reporters was sent to San Francisco and the wire arrangements were such that papers holding membership in the Associated Press had convention facts almost instantaneously. The great distance between San Francisco and Illinois was bridged in record time. In handling the San Francisco convention the Associated Press duplicated the splendid service given in Chicago.

THANK THE REPUBLICANS

It is stated with authority that 17,500,000 women will vote for the next president in thirty states. Altogether in the United States there are 27,000,000 women of voting age.

The difference, 9,500,000, will vote if the nineteenth amendment is ratified in time. Of the eighteen states where these 9,500,000 reside, ten are Democratic and eight Republican. In the states where the 17,500,000 women will certainly vote, the normal popular majority is Republican in two-thirds of them.

The Republicans have nothing to lose and much to gain by hastening ratification of the nineteenth amendment. Already they have the support of a large majority of the 17,500,000 women, and will gain the support of at least one third of the remaining 9,500,000 women.

The majority will be with the Republicans undoubtedly. To Republican majorities in congress the 17,500,000 owe their right to vote.

The Republican sympathy and support of the 9,500,000 remaining women will owe the acquisition of their rights in case the nineteenth amendment is put thru. Which state is the vehicle, is unimportant. Who finally crowns the right is still more unimportant. The only important matter is that the amendment is ratified and the 9,500,000 women given the right.

to vote for president this year.

Not the president who reluctantly comes in at the last moment after the battle practically has been won, but the man and the men who have been in the fight from the first and borne the brunt of the battle, are deserving of credit.

President Wilson and the Democrats who are making this suffrage move in Tennessee, are playing politics. Senator Harding and the Republicans who have been in the fight from the first, are responding to right, justice and principle.

Women promoters of suffrage will be just and give credit where credit belongs.

CHILDREN LEAVING SCHOOL FOR WORK

"What next?" is the question that thousands of bewildered children have been asking as the school doors closed behind them for the last time. An army of over 1,000,000 children between 14 and 16 years old, says the Children's Bureau of the U. S. Department of Labor, marches out of the schools each year to become wage earners. In a pamphlet entitled "Advising Children in Their Choice of Occupation and Supervising the Working Child," the Bureau tells what happens to these children and offers suggestions for helping them get the proper start in life.

Only a few children, according to the pamphlet, receive any help from their parents in finding suitable openings because parents do not know what opportunities are open to boys and girls, how to go about finding them, or what is the best thing for a child to do. The children begin an aimless search, making the rounds of factories, shops and offices and answering advertisements. More than nine-tenths of them go into "blind-alley" jobs that require no skill and offer no opportunity to get ahead. Many drift from job to job, and become physically unfitted, sometimes to the permanent injury of their health. Some are without any employment for a time, since in many states the law does not require a child under 16 to have a job before he is excused from school.

These conditions, the bulletin points out, call for some organization in the schools, or in connection with the schools, to tell children what and where the jobs are, and what training and ability are required to fill them. While vocational guidance and placement work in this country has been started by private organizations, it has been taken over in a number of cities by the schools. England's experience with her juvenile-labor exchanges shows that the most successful work is done in close cooperation with the school. In Austria where vocational work is now receiving special attention a careful study is being made of how to link up the work with the school system.

OLD JACKSONVILLE

HOW EARLY SETTLERS MANAGED

By Ensley Moore

(Member Illinois State Historical Society)

Living is so easy, nowadays, and conveniences so numerous that it is difficult for young people to understand what our first settlers had to do.

Mr. Eames, in his history, undoubtedly handed out what it required an arduous amount of questioning to elucidate from the settlers who took, often, what they had been thru as a matter of course. And so it had to be for them, Eames wrote in 1885.

Natural Condition.
Eames said in part, of things along about 1819 to 1824: "At that early day the face of the country, altho attractive in its wild beauty, presented an appearance different from that which now strikes the eye under its condition of cultivation and improvement. The surface of the ground, prairie and timber, was covered with a luxuriant and rank vegetation.

On low grounds and flat prairie the wild grass grew to considerable height. The "hazel roughs," that crept out on the dry prairie knolls near the timbers, and the young timber skirting the prairies, had a hard struggle for life with the autumnal fires, lighted by the Indians for hunting purposes, and, after the passage of such fires, the forest presented a blackened and stunted appearance, and among this timber, already fire-killed to his hand, the settler subsequently opened up his first five acre field, and planted his first patch of corn."

At Jacksonville.
"During the spring of 1820 the first settlement of white men (after the Cellog's) was made in Morgan county in the vicinity of where Jacksonville now stands. This settlement was made by Mr. (Isaac Fort) Roe, who located his claim and commenced work on what is now known as the Becraft place, west of Diamond Grove.

Next came John Wyatt and William Wyatt, who commenced their improvement of the farm later owned and occupied by Cyrus Matthews, formerly sheriff of Morgan county. These settlements were made about the first of March, 1820, and soon after, during the same month, Isaac Reeve, Joel Reeve, Lazarus Reeve, John Reeve, James B. Crain, Martin Dial, James Deaton and his son, Levi, and Robert James pitched their tents and selected their "ms."

A Blacksmith.
"Mr. Reeve settled on Sandy, southwest of the Diamond Grove. Being a blacksmith he brought with him his anvil, hammers and bellows. As the season advanced and the plows of the infant settlement began to need sharpening, Mr. Reeve temporarily organized the first blacksmith shop in the open air, the interlocking stumps of two saplings being his anvil block, the bellows rigged to stakes driven in the ground, the fire place of the most primitive construction, and from far and near the settlers trudged there thru the high grass, to get their little bits of smithing done."

Thus the first settlements of white men made in Morgan county in the spring of 1820, were in three distinct neighborhoods, the pioneers who first attacked the primitive forests, with the all-conquering axe and turned the first furrow in the virgin soil, having chiefly emigrated from Madison, St. Clair and other southern counties.

The little band of pioneers during this first spring comprised with a single exception, only males—the pioneers and their sons; the women and smaller children not being removed to their new homes until late in the fall. James B. Crain, however, brought his family with him, and Mrs. Crain was the only white woman in the settlement during the first summer; being, it is claimed, also the mother of the first white child born in the county.

Building.
"The first and subsequent proceedings of the pioneers in making their settlements, are well

ing their settlements, are well worthy of record. After selecting a location suited to his fancy, the first act of the settler was to pitch his camp. For this a site was selected under shelter of the timber, near a spring or running branch. The team was unhitched from the wagon, and after being carefully belled was turned out to browse upon swelling buds. The next case was to provide a camp for protection from the weather during the season. The ringing sound of the axe then awoke the forest echoes, and rails were split for the erection of a rail cabin. A "board" trace was selected, felled, and in the absence of a cross-cut saw, buffed off with the axe into four cuts. These being opened and heaved with the mail and wedge, were sawed into clapboards for covering the rail pen.

The boards being held in their place by weight-poles laid upon them as each layer was placed, the eave pole being pinned fast and each succeeding weight-pole, up to the comb, being kept from slipping toward the eaves by blocks placed at each end and in the center between them.

The rail cabin being raised and covered, a door was cut out, jammed pinned on and a clapboard door made and hung with wooden or leather hinges, to be fastened when closed, with a wooden pin. Dry grass was then collected for underbedding, clapboards nailed over the cracks between the rails, or bed quilts, hung up over the walls to keep out the driving rain. The summer camp was then (or thus) completed.

The settler next proceeded to mark off the boundaries of his claim, each settler being entitled to claim, under the rules of the frontier, 320 acres. The claim lines were marked by blazing the trees with an axe thru the timber, and driving stakes into the ground at short distances thru the prairie.

The next step was to mark out five or ten acres of ground, as the help of the settler might justify, in the young timber skirting the prairie, as a patch for the first crop of corn. The timber land was selected as being better fitted for immediate cultivation and more easily broken than the tough, wild prairie soil. The making of rails for fencing was now commenced, to be followed by the clearing, grubbing and breaking of the ground, and planting of the crop. The provisions brought with them by the settlers were intended to last till fall, when the corn crop would be made. But it happened that

Mr. Deaton and His Son
Exhausted their supply of corn meal and bacon some time about the first of June, compelling them to leave their partly made crop, and travel a distance of 85 miles, to Edwardsville, to renew their supply. The journey had to be made chiefly at night, to avoid the greenhead flies of the prairie, which at this season would in the daytime almost blind a team to death. Shaping their course by the stars, and without a road or trail, they started on the journey, provisionless and hungry. Their first camping place was on Apple creek. The country had been pretty well cleared of game by the Indians, but here they were fortunate enough to kill a squirrel, which they roasted at their camp fire. During the next day they succeeded in killing a deer near where the town of Jerseyville now stands, and thus they were enabled to reach Edwardsville in excellent time and good spirits.

Bee were then abundant, and in the fall the settlers reaped a rich harvest of honey and wax; the latter constituting at that time, along with furs, the circulating medium of the frontier. An average of eight to ten bee trees a day were considered ordinary luck by the bee-hunters. The Wyatts were known to have found 20 trees a day.

of Sinclair came down to the city yesterday.

Mrs. Roy Fox of the east part of the county was a caller in the city yesterday.

Mr. and Mrs. Clarence Taylor have gone to Alta, Ohio, by auto for a visit with Mr. Taylor's sister.

John Bridgman and family of the northwest part of the county visited the city yesterday.

WANTED

James A. Herne's Immortal Stage Drama of New England Folk

Romance—Action—Contrast—Thrills

For 30 years unnumbered thousands have laughed and cried, have been thrilled and exalted by this mightiest of American dramas! A father's iron will clashing with his daughters' love for an honest man. Characters like cameos. Scenes of power and resistless momentum, transpiring in the atmosphere of strait-laced New England. This picture shows why James A. Herne's tremendous stage play stands as the greatest American drama of two generations. A production that is as fine as money and care can make it. The famous light-house scene, when the "Liddy Ann" goes on the rocks in the grip of the sou'easter, is the most thrilling portrayal of a shipwreck that has thus far been achieved on the screen.

Rippling Rhymes

By Walt Mason

SUMMER DAYS.

A summer day now hands us one, and paints our maps with freckles; we cry "Gee Whiz!" For cooling fizz we blow our hard-earned shekels. Though summer's bad, and from the grad we willingly would drive it, some simple rules not taught in schools may help us to survive it. The heat will flay that bone-head jay who's prone to be a glutton, who fiercely eats all kinds of meats, including pork and mutton. The sane galoots who live on fruits endure 'em summer grandly; the sun may try the whole blamed sky, and they'll regard it blandly. I cut out hams and feed on yams, which cool my fevered humors; I sidestep cheese and from the trees I pluck the fragrant onions. Rich pies and cakes, and chops and steaks, I find there is a curse on; I eat no more than I can store with comfort in my person. And I live and smile and give sage counsel while I frolic, while those who eat large slabs of meat are doubled up with colic. I have chewed all heating food, I've sidestepped beer and skittles, and all my tunes are based on prunes and other wholesome vittles.

REPRESENTATIVES WANTED!

Mr. and Mrs. Roy Fox east of the city.

Miss Etta Murphy was in the city from Concord yesterday.

Miss Irene Waltman of Savage visited the city yesterday.

Miss Grace Bailey of Ashland was a Monday caller in the city.

FRITZ HASKELL AND MISS ANNA ENGLISH MARRIED

Well Known Scott County Resident and Former Teacher in Jacksonville High School Married in Nebraska — Winchester News Items.

Winchester, July 6.—The marriage of Miss Anna M. English and Mr. Fritz Haskell of Winchester was solemnized at the home of the bride's parents, Rev. and Mrs. Nathan M. English, at Arnold, Nebr., Wednesday morning June 30, at 10 o'clock.

Preceding the ceremony Mrs. Dan Grimm of Flagler, Colo., sister of the bride, sang in an impressive manner, "I Love You Truly" by Carrie Jacobs Bond. The wedding march from Lohengrin was rendered by Mrs. George English of Colby, Kans., while members of the bridal party took their places.

Rev. Mr. English, father of the bride, was the officiating clergyman and was assisted by the Rev. Johnson, pastor of the Methodist church.

The beautiful ring service was used in uniting the couple in the holy bonds of wedlock. Other members of the bridal party were six nieces and nephews of the bride, who carried roses and formed an aisle for the bride and groom.

The children were Margaret and Herschel Downing, Mardell and Roberta Grimm, Lowell English and Herbert English, Jr.

The bride wore a beautiful gown of white embroidered net over ivory satin. She wore a tulle veil held in place with old-fashioned rosbuds from her grandmother's garden, and carried a shower bouquet of bride's roses.

A profusion of roses was used in decorating the house in pink and white for this June wedding.

The bride is the second daughter of Rev. and Mrs. English and is a native of Custer county, having been born at her father's homestead six miles north of Arnold. She spent the early years of her life in this locality and has in later years been a frequent visitor.

For a number of years Mrs. Haskell has been a successful teacher in the high school at Jacksonville, Ill. She is a graduate of the Kerner state normal, and the Illinois Woman's college, having been a member of the Phi Nu society while a student at the latter institution.

Mrs. Haskell is of charming personality and has endeared herself to all who know her. Especially has she won the love and esteem of her many pupils.

She possesses many qualities worthy of admiration and her numerous friends join in wishing her a happy wedded life.

Mr. Haskell is to be congratulated upon securing this young woman for a life partner.

Mr. Haskell is a resident of Winchester and at present holds the office of sheriff and tax collector of Scott county. He is the only son of the late Mr. and Mrs. Dan Haskell. He is serving a second term in an official capacity in this county.

Mr. Haskell is a gentleman of excellent character and is held in highest esteem by his host of friends and acquaintances.

After the ceremony a three course wedding breakfast was served with about forty relatives present. Many beautiful and useful gifts were received.

The bride and groom left on the afternoon train for Winchester, where a newly furnished home awaits them.

One of the happy features of this event was that all the immediate relatives of the bride were present. — From the Arnold (Nebr. Sentinel).

News Notes.
Mrs. Albert Rhodes returned Monday to her home in Griggsville after a visit with her sisters, Mrs. R. M. Willis and Mrs. William McLaughlin.

Miss Mildred Carter left Saturday morning for Normal, Ill., to visit Miss Bess Pieper, who is attending school there.

Dana Miner returned Saturday to his home in Connersville, Ohio, after a short visit here with relatives.

James Cole and Stephen Whitmer returned Tuesday to their home in Springfield after a visit with relatives. Mr. Cole's granddaughters, Nellie and Mary Roosa, accompanied them home for a visit.

Miss Opal Ligon has returned home from Normal.

Mr. and Mrs. Wesley Hamilton of Peoria are visiting at the home of the former's father, T. C. Hamilton.

Mrs. F. C. Kelly and daughter of St. Louis and Mrs. B. A. Willis of Beadstown returned to their home yesterday, after a visit at the home of Mr. and Mrs. Frank Sherrer.

Mr. and Mrs. Ralph Overton have returned to St. Louis. Mrs. James Overton accompanied them home for a visit.

William Rohrig of Perry, Ill., and Gilbert Bishop of St. Louis are guests at the home of Edward Rohrig and family.

Mr. and Mrs. Ray Fortenback and son, Bobby of Canton are visiting at the home of Charles Townsend and family.

Mrs. James Wainwright returned Tuesday to Alton. Her sister, Miss Leona Wallace, accompanied her home for a visit.

A large number of Winchester citizens attended the Fourth of July celebration in Jacksonville and in Roodhouse Monday. The high school band took part in the program at Jacksonville and according to all reports gave an excellent program there.

Mrs. T. C. Hamilton and sister, Miss Bess Bedford, will leave Wednesday for St. Louis to visit relatives.

W. C. Brookhouse, of Concord, was among the business callers in the city yesterday.

HIS PREDICTION

WAS CORRECT
Six months ago, J. Herman predicted the nomination of Gov. Cox for president by the Democratic party and now is in a position to say "I told you so."

Miss Thelma Senter of Alexander visited yesterday with her aunt, Mrs. Fordyce on Hooker street.

CARD OF THANKS.
We wish to thank the many friends and neighbors who assisted us so kindly during our recent sad bereavement and also for the many beautiful flowers.

Mr. and Mrs. C. E. Lloyd and Family.

CHARLES LILLARD EXPIRES SUDDENLY

Well Known Colored Man Dies of Heart Trouble in Armstrong Drug Store—Inquest Held Tuesday Afternoon.

Charles Lillard, a well known colored resident of the city, died suddenly in the Armstrong drug store at the southwest corner of the square about 10:45 o'clock Tuesday morning.

Deceased had been employed as porter at the drug store for some time. Tuesday morning Mr. Armstrong went to the back part of the store and found Lillard lying on the floor unconscious.

Having heard him speak of having heart trouble, Mr. Armstrong thought he might have fainted and called E. L. Snyder, a member of the firm. They tried to revive Mr. Lillard but were unable to do so.

Mr. Armstrong opened his shirt and not being able to find any heart action he told Mr. Snyder to continue his efforts to revive him while he summoned a physician.

Dr. E. D. Canatsey was summoned and upon examination found that Lillard was dead. He gave as the cause of death organic lesion of the heart.

Coroner Rose was immediately notified and W. W. Gillham also was notified. The remains were removed to the Gillham parlors where a jury sat in the case.

This jury was composed of H. DeWitt, foreman; Ora Moore, John Easley, John R. Dunn, Henry Bakett and F. C. Muse, clerk. The testimony of Mr. Armstrong, Mr. Snyder and Dr. Canatsey was heard and a verdict given in accordance with the facts as brought out.

Mr. Lillard had been a resident of Jacksonville for many years and was a man highly regarded by all who knew him.

HELD BIG TRADE.

Members of Boy Scout Troop No. 4 had a Fourth of July stand near Waddell & Co. store and made the handsome sum of \$153.70. Charles F. Ehrie is Scoutmaster and assisted the boys in making the necessary arrangements. Goods were purchased to the amount of \$249.04 the amount returned was \$58.18 leaving net cost to the boys of \$190.86. The money will be used toward the camp fund of the troop.

FORMER RESIDENT DIES

Word has been received here of the death of A. A. Fitzpatrick, at one time a resident of Liberty. Mr. Fitzpatrick was living near Center, Mo., at the time of his death. The funeral services will be held at Center today and interment will be at that city. Mrs. Greenwood and family of Bedford street are relatives.

AMERICAN ICE CREAM SODA INVASION PARIS

Paris.—The ice cream soda has invaded Paris. With the arrival of the first of the American tourists have sprung up numerous shops which boast that within may be obtained "real American ice cream sodas." Prices for this American drink range from three to six francs according to the character of the shop.

Paris has always had places where poor imitations of the great American drink could be obtained but not until this Spring when the tourists trade revived did the real thing make its appearance. An amusing feature of the French premier of the soda has been the popularity it has attained with the Parisians.

At first quite skeptical, the French later tried the drink and liked it. One large cafe on one of the famous boulevards serves more French people than Americans with ice cream sodas. The cafe has even attempted the sale of sodas but they haven't achieved the success of the sodas.

INDIAN CELEBRATES HIS 123RD BIRTHDAY

Grand Junction, Colo.—Cherokee Bill, veteran of the plains and soldier in the war of 1812, has just celebrated his 123rd birthday at his county home here. Cherokee Bill is the only name he knows. In the early days of the country he fought with bow and arrow with the aborigines and even used that primitive weapon, he says, when he fought the British in 1812, enlisting in the army when he was 15 years old. He was born June 6, 1797 and was twice listed in the United States census as the oldest native of America.

The aged Indian recently made a cap for himself out of the down of cat tails and wears this proudly when he hobbles along the streets occasionally with the aid of a cane he has owned since the Civil war. He is getting feeble, though he still has a good appetite.

FIRE INSURANCE in SAFE COMPANIES

If you own buildings it is as foolish to be without insurance as to go out in bad weather without coat or hat.

Benjamin Metz, of Chambersburg, was among the visitors in the city Monday.

Mr. and Mrs. A. F. Linder of Carrollton are visiting in Jacksonville. They expect to leave Thursday for an extended trip thru the west.

GOV. COX ADDRESSES HIS HOME PEOPLE

Middletown, Ohio, July 6.—Motoring 25 miles tonight from Dayton, Governor James M. Cox, the Democratic candidate for president made his first public address after his nomination to home folks here whom he credited with being responsible for his entry into public life culminating in his selection as the standard bearer of his party.

PRINCE OF WALES IN TRAIN WRECK

London, July 6.—Albert Edward, Prince of Wales, emerged unscathed and smiling from the window of an overturned car when his train was wrecked yesterday, says a dispatch from Perth, Australia to the London Times.

The accident occurred near Bridgetown, West Australia, says the report.

OPENS FOR BUSINESS WITH PRAYER MEETING

Bloomington, Ill., July 6.—The unusual proceeding of starting a great business enterprise with a prayer meeting was witnessed here this afternoon, when the Medadous Manufacturing company which has just completed a quarter million dollar plant, assembled all heads of departments and sales managers in the offices and called in a minister to conduct an old fashioned prayer meeting as marking the official dedication of the new plant.

NATIONAL DEMOCRATIC COMMITTEE ADJOURNS

San Francisco July 6.—The new Democratic national committee met here today and after a discussion of plans for organization, adjourned subject to the call of Chairman Cummings, who expects to bring the committee together for permanent organization in about two weeks. The meeting probably will be held in Columbus or Dayton, Ohio.

A SMALL ACCIDENT.

About twelve Monday Roy Scott was returning to his home in Franklin and when opposite Nichols park his auto gave out and he had to get conveyance otherwise and bring his machine to Joy Brothers for repairs.

LICENSED TO MARRY.

Grover C. Wilhoit, East St. Louis; Jane E. Thompson, Jacksonville.

MISS YOUNG AT BABB & GIBBS

Miss Ruby Young has taken a position in the office of Babb and Gibbs' garage on North Main street.

MISS ZETA WOOD IS INJURED BY AUTO

Struck by City Light Plant Truck in North Main Street—Suffers Fracture of Arm and Leg—Patient at Our Savior's Hospital.

Miss Zeta Wood, nineteen years of age, daughter of Mr. and Mrs. J. C. Wood, 124 East Dunlap street, suffered a broken arm, a broken knee, and numerous other injuries and bruises yesterday at 11 o'clock when she was run down by a truck at the corner of North Main street and Dunlap streets.

The truck belongs to the city light department and was driven by Roy Pike, an employee of the light department. He was coming south on Main street a coal wagon was crossing Main on Dunlap, and as he passed the wagon Miss Wood stepped into the path of the car. As told by witnesses and by Pike, neither the driver nor Miss Wood could see the other on account of the wagon, before it was too late.

The injured girl was taken to Our Savior's hospital where she was attended by Doctors Duncan and Wolf.

Last evening the attending physicians reported that she was resting easily.

MILLIONAIRE PATENT ATTORNEY RELEASED

Washington, July 6.—Chester A. Snow, millionaire patent attorney, was released on \$10,000 bail today after his arrest on a warrant charging him with conspiracy to bring about the death of his wife, Addis H. Snow.

The complaint filed by Mrs. Snow, who was granted a limited divorce about two years ago on a charge of cruelty, alleged that Snow last January entered into a conspiracy with two unidentified persons to murder her. Neither the complainant nor Mrs. Snow's attorney disclosed the method to be used by the alleged conspirators.

ATTENDED FUNERAL IN JERSEYVILLE

Mr. and Mrs. P. A. Heneghan returned last night from Jerseyville where they attended the funeral of Mr. Heneghan's sister, Miss Mary Heneghan. Deceased passed away at Omaha, Neb., Saturday afternoon at 2 o'clock and the remains were taken to Jerseyville, arriving there Sunday morning. Funeral services were held from St. Francis Xavier's church at 9 o'clock Monday morning.

TEAM RUNS AWAY

A team belonging to Jacob Cohen & Son ran away Tuesday morning. They were stopped before any damage was done.

GUESTS FROM SPRINGFIELD

James Graves and wife of Springfield are guests at the home of Otto Eckels.

FIND PHOSPHATE DEPOSITS.

Paris.—Discovery of large deposits of phosphate in the Moroccan hinterland may soon make France the great phosphate producing country of the world. The Moroccan deposits are reported by Professor Louis Gentil of the Sorbonne as being almost inexhaustible. One hundred miles inland from Casablanca there is a mountain plateau, 40 miles long and 25 miles wide which is a veritable storehouse of phosphate. A railway is to be built to this mountain and a monopoly has been given to the Moroccan government for the sale of the phosphate.

France already has huge potash deposits in Alsace.

GUARANTEED 2 YEARS

PHILADELPHIA DIAMOND GRID BATTERY

You can always tell a Philadelphia Diamond Grid Battery plate at a glance. Both sides are covered with Diamonds. If the Diamonds are not there it is not genuine. Don't let anybody convince you otherwise. Once in a while, we hear of somebody pulling out an old unknown plate—without Diamonds on it—and claiming that it was taken from a Philadelphia Diamond Grid Battery. Let us show you a genuine Diamond Grid Plate so you can always be sure of what you are getting. It is well worth being sure. Battery inspection free. Expert repairing and recharging.

Diamonds

We offer diamonds set in platinum mountings of distinguished design not elsewhere available.

The imagination of an artist and the skill of a connoisseur underlie the large display of diamonds and mountings shown here.

An exceptionally large display of exclusive designs in platinum mountings, with carefully chosen diamonds of unusual brilliancy and color, will be found here at most reasonable prices.

In regard to prices, we want to impress upon you that our prices have not advanced in keeping with the several general advances that have been made in a wholesale way. Bear in mind, also, that our name adds much to the value of a diamond, but nothing to its cost.

Stevenson's Fight for Recognition

When George Stevenson invented the locomotive, all the forces of incredulity that ignore; the conservatism that hates; the ridicule that mocks what is new, were brought to bear to oppose his great invention. The same spirit of mockery, opposition and criticism has confronted practically every new and worthy idea.

CHIROPRACTIC UNDER FIRE

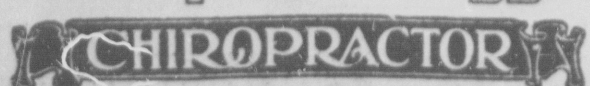

Those who accepted disease and suffering as a natural part of life's experience, laughed and scoffed when Chiropractic first launched the idea that ill health was unnatural and the direct result of spinal pressure on the nerves, which shut off the life forces of the body. And they ridiculed the idea that by simple Chiropractic spinal adjustments, without drugs or knife, this pressure could be relieved, the cause of disease corrected and normal conditions, health restored.

But in the face of it all, Chiropractic has advanced because it has proved it is right. Thousands who formerly suffered are now enjoying health through the aid of

CHIROPRACTIC THE BETTER WAY TO HEALTH

and it is rapidly being accepted as the logical, most effective drugless health science of the age. If you are not enjoying good health, give Chiropractic (KI-RO-PRAC-TIC) a fair, open-minded investigation and prove its value to you and your loved ones.

BOARD OF EDUCATION ACTS ON SCHOOL FUNDS

Instructs Treasurer As To Man-
ner of Disposal and Other Items
—Coal Bids are Rejected.

The board of education held a long session last evening and transacted considerable business. Payments to architect, contractor and Gause were ordered; coal bids were rejected and new ones asked for. Several matters pertaining to the new high school building were discussed and whenever possible action was taken. More insurance on new building was ordered and tornado insurance refused.

The proceedings.
The board met in regular session with all present except Mem-

bers Muehlhausen and Metcalf. President J. P. Lippincott in the chair. Bills for general account, \$43.72; building and repair, \$168.28 and \$582.43 to Harrigan Brothers, coal account, were ordered paid. Pay roll, \$497.50, ordered paid.

It was decided that the township treasurer place the proceeds of the sale of bonds to the new high school building and heating plant fund.

Also to open an account for the retirement of bonds and interest and place the amount levied for this purpose to this account, namely, the \$22,000 for the retirement of bonds and interest due July 1, 1920 and Dec. 31, 1920.

The township treasurer was ordered to charge to the bond retirement and interest account the sum of \$5,500. Interest coupons retired July 1, 1920 and that the said amount be credited to the high school building and heating fund.

There was a question regarding the salary of Mr. Wood, engineer whether the increase should begin June first or July first and it was referred to the buildings and grounds committee to investigate and report.

The contract for a concrete walk along the north side of the David Prince building was awarded to L. P. Cowdin, the lowest bidder, for \$102.40.

The building and grounds committee reported making some needed repairs on the Washington building roof and remarked that more would be needed at an early date.

Want Teacher Retained
The secretary said a numerous signed petition by patrons of the Independence school for the reinstatement of Miss LaVelle as teacher had been presented. It had seemed best not to employ her but the petition was signed by all parents having children in

the school with one exception and that was not secured on account of smallpox in the family. It was suggested that another year of teaching would place the lady in the eligible pension list and finally the matter was referred to the superintendent and teachers' committee.

Some coal bids were presented and rejected and the secretary was instructed to advertise for 6 inch and a quarter and three by six egg sizes, said bids to be in by August 2nd.

The new high school building construction committee reported some fire insurance taken and recommended some additional. For some reason not known to the committee the agents had written tornado insurance also and were instructed to cancel it as it was not called for in the contract. A payment of \$19,833.95 was reported due the high school building contractor and ordered paid. With this he will have been paid \$116,797.36, leaving due \$234,410.64.

A payment of \$8,066.78 was reported due Bernard Gause, heating and plumbing contractor, and ordered paid and this will make \$13,341.20 paid him, leaving due on his contract, \$44,512.80.

A sum of \$2,353.95 was ordered paid Architect Boyer as per contract.

The matter of the boiler house was referred to the high school building committee to work out and report.

Discuss Building Pictures
A lengthy discussion followed regarding the movable furnishings for the new building. It will soon be necessary to have them announced and their location designated that arrangements may be made by the contractors for the location of same. Location of wires, pipes and other things must be known soon by the builders and the high school building committee was instructed to work out the matter and report.

A communication from the city regarding the use of Fayette street sewer instead of State street was read. This will cost more than connection with State street and the high school building committee was authorized to act in the matter.

There was considerable discussion regarding the wire to supply power for various purposes. It had been thought wise to run the ventilating fans by steam in cold weather which would be cheaper than electricity but in the first place to convey steam so far for the purpose was a question and then in warm weather it would not be available. It was decided to have a wire of ample size for the purpose and the matter of conveying it under ground was also deemed best. No action.

Mr. and Mrs. W. E. Masters of Murrayville, were callers in the city yesterday.

WERE MARRIED IN CHICAGO

Miss Kathleen Easter is Bride of John V. Sweeney—Ceremony Solemnized Saturday.

Announcement has been made by Mr. and Mrs. Frank M. Doan of the marriage of their niece, Miss Kathleen Frances Easter, to Mr. John V. Sweeney, son of Mr. and Mrs. D. E. Sweeney of this city. The ceremony was solemnized in Chicago Saturday, July 3, Rev. Father Small of Our Lady of Lourdes church officiating.

Attending the young people were Miss Margaret Cole McNaughton of Milwaukee and Mr. Fred J. Dye of Detroit, Mich. The bride's gown was of white silk and she wore a picture hat. Her bouquet was of white roses and sweet peas. Miss McNaughton wore pink and white organdy and carried a bouquet of roses.

The decorations were especially handsome, pink and white roses together with sweet peas being used very effectively. A handsome wedding dinner was served at Edgewater Beach hotel following the ceremony.

Mrs. Sweeney spent most of her girlhood days in Jacksonville and was a student at the Conservatory of Music for several years. Mr. Sweeney after attending Mount college, took a law course at the University of Michigan. In the war period he served with the medical corps and was overseas for nearly two years. He now holds a responsible position in the legal department in the Chicago office of an insurance company.

The bride and groom left Saturday night for a wedding trip to northern Michigan. Among those in attendance at the wedding were Mr. and Mrs. D. E. Sweeney of this city.

DAVIS SWITCH

The Missionary society of the Woodson Presbyterian church will meet with Mrs. Hugh Voorhees Thursday afternoon at 2:30 o'clock. Everyone welcome.

Unity Workers of Woodson Presbyterian church held a short business session at the home of Mrs. William Colton Thursday afternoon, appointing a new committee for July and August, including Mrs. Rook, chairman; Mrs. John Baxter, Mrs. Adams and Mrs. Glasgow.

Mrs. J. H. Devore spent Sunday afternoon with Mrs. Leach south of town.

Masters Irwin and Roy Sheppard, little sons of Mr. and Mrs. Clarence Sheppard of Litchfield, spent the Fourth with their grand parents, Mr. and Mrs. Irwin Sheppard near Woodson.

Mr. and Mrs. Charles Sheppard and daughter spent a very pleasant day Sunday with Mr. and Mrs. William Paul south of the city.

Percy Burrows of Jacksonville, well known to many in and around Woodson, is recovering from his recent accident. Mr. Burrows was picking cherries when he fell from the tree and broke both arms.

LICENSED TO MARRY.

Peoria Woman Had Suffered Twenty Five Years—Gains Twenty One Pounds By Taking Tanlac.

"I just wish I had words to express my deep gratitude for the wonderful good Tanlac has done me after I had suffered for twenty-five years," was the statement made recently by Mrs. Alice Richetta, 1206 Fifth street, Peoria, Ill. "It's a fact, it was twenty-five years ago that my health broke down and since that time no one knows what misery I have gone through," she continued. "My back was weak and lame and even at nights I was in such misery I could hardly sleep at all. I just spent nearly all my time in the house. Every morning I felt stiff and later would have a splitting headache. I was also bothered with the worst kind of stomach trouble and everything disagreed with me so. I suffered a thousand deaths with awful cramps and pains in my back. I had no gas until I began to take Tanlac."

look natural and my heart palpitated so bad that I had dizzy, faint spells. My nerves were unstrung, I was thin and frail looking and my complexion turned yellow.

"This was my condition when I began taking Tanlac but now I am a well and happy woman. I could feel my troubles leaving me before I finished my first bottle of Tanlac and I continued to take it until now I am in perfect health. My back is entirely free from pain. I can eat just anything I want now and never suffer any more after effects. My heart action is normal, and I am no longer bothered with those dizzy, faint spells. I am not one bit nervous and don't know what it is to have a headache any more. I have gained twenty-one pounds in weight, my complexion has all cleared up and I am in better health than I have been for twenty-five years. I think Tanlac is a wonderful medicine."

Tanlac is sold in Jacksonville by Coover & Shreve and by the leading drug store in every town.—Adv.

SOME BOYHOOD ADVENTURES

If any of Uncle James O. Hamilton's friends have a few moments to spare will confer a great favor on the old gentleman by making him a visit at Passavant hospital. While the writer was there yesterday morning Mr. Hamilton fell into a reminiscent mood, so something usual with him and told of some boyhood adventures.

One time a boy somewhat larger than he approached him with a hazel switch and bawled him with a contest with sticks. James said he preferred not whereupon the other taunted him with being a coward. That angered the Hamilton boy so he cut a good stick and told the other to come on. The latter did so striking young Hamilton a smart blow on the shoulders. The lad then caught his adversary by the coat collar and belabored the calves of his legs till he cried enough.

Not long after the whipped boy brought his larger brother to avenge the whipping but quick as a flash Hamilton darted at him and thrust a thumb almost into the fellow's eye tho he didn't hurt the sight but gained a victory.

Not satisfied with their experience the two brothers next Hamilton and another boy and showed fight. With his toe Hamilton drew a line in the dust and dared the others to cross it. They didn't but when young Hamilton wasn't looking one of the attacking party slipped up and knocked him down. Seizing a square cornered club Hamilton dealt him a stunning blow on the head that settled him for a good while to come.

James was a rather small boy

**CITY COUNCIL HELD
ADJOURNED SESSION**

Only Routine Business Transacted—Claims Were Ordered Paid and Officers' Reports Received and Placed on File.

An adjourned session of the city council was held Tuesday evening at which time considerable routine business was transacted. The council ordered the payment of all properly approved claims and reports of officers were received and placed on file. The council took cognizance of the bad condition of railroad crossings in some parts of the city. The aldermen referred specifically to those of the C. P. & St. L., Wabash and C. B. & Q. The clerk was instructed to write the officials of the roads to at once proceed to place the defective crossings in good condition. When the clerk called the roll it showed all aldermen present. Mayor Pro Tem Cain presiding.

Petition to Open Pavement.

A petition was read from the Jacksonville Plumbing and Heating company asking permission to take up the pavement in West College avenue in front of the Congregational church to tap a sewer. The petition recited that an ordinance had been passed for a new pavement on the street and it was customary for the city to allow such work to be done.

Engineer Henderson said the ordinance required that all sewer, water and gas connections be made a certain period of time before the laying of the pavement. The council referred the petition to the highway and sewer committees with power to act, it being with the understanding that the work is to be done by the plumbing company without cost to the city and to the satisfaction of the superintendent of streets.

All properly approved claims were ordered paid, the motion being made by Alderman Williamson and seconded by Alderman Moore.

Officers' Reports.

The reports of the following officers were received and placed on file:

W. T. Dyer, justice of the peace, reported fines and costs collected to the amount of \$106.70.

H. H. Summers, sexton of Diamond Grove cemetery, reported ten interments for June.

John E. Pires, sexton of Jacksonville cemetery, reported eleven interments for June.

W. H. Cobb, water superintendent, reported the following collections: Water rent, \$3,287.80; meters sold, \$254.36; taps sold, \$6.00; meter repairs, \$15.53. Total, \$3,563.84.

Frank Kiloran, chief of police, reported 11 arrests for June. City cases 8, state cases 3. Total amount of fines and costs, \$106.70. Mr. Kiloran also reported oil inspection fees for June of \$60 and wheel tax collections of \$639 for the month, making a total of \$3,644.00.

The report of A. M. King, city physician, for June, showed a total of 42 deaths, male 25, female 17. Deaths by wards: First ward 2, Second ward 3, Third ward 2, Fourth ward 27. Residents 25, non-residents 17. Total deaths in city 19, at Jacksonville State Hospital 23. Contagious diseases: Measles 3, mumps 4, smallpox 26, typhoid fever 2, whooping cough 6.

H. C. Clement, city treasurer, reported a balance in the general fund June 30, 1920, of \$2,473.47.

Chief Kiloran on Vacation.

Mayor Pro Tem Cain, chairman of the police committee, reported that Chief Kiloran was taking the first vacation he had had in two years and that Day Desk Sergeant Casey was acting as chief during his absence.

Mr. Cain also reported that the police department was making personal calls on delinquents in wheel tax. If the tax was not paid

drastic action would be taken within the next fifteen days.

Alderman Ehnie, chairman of the public health committee, reported that the smallpox condition was much better and that it was hoped to soon have the disease stamped out.

Alderman McGinnis spoke of the need of a walk on the west side of Hackett avenue from Independence avenue to Walnut street. The engineer was instructed to draw an ordinance for the walk.

The alderman also said it had been reported to him that people were driving over the new walk which had been laid in East Lafayette avenue near the Hale property. He thought some action should be taken to protect the walk.

Mr. McGinnis spoke of the bad condition of the crossing of the C. P. & St. L. railroad in East Lafayette avenue near the Hale property and thought it should be fixed.

Alderman Ehnie called attention to the fact that several churches are uniting in open air services on the lawn of Grace church. He said that automobile drivers disturbed the meeting and asked permission to rope off South Church street from State street to Morgan street.

Mr. Ehnie said the congregations of the churches would do this without cost to the city. He offered a motion that permission be granted to rope off the street during the services which was seconded by Alderman Moore and carried by a unanimous vote.

Alderman Flynn said the residents of Center street wanted a sidewalk on the south side of the street from Johnson street to Green street. The engineer was instructed to draw the necessary ordinance for the same.

Bad Sidewalks.

Alderman Moore called attention to the bad condition of the walk in East State street near the Gates coal office. He thought it belonged to the C. P. & St. L. and should be fixed.

Alderman McGinnis also called attention to other bad crossings at East Lafayette and East Independence avenue. The clerk was instructed to notify the railroad officials to repair these crossings.

Alderman Flynn asked if there was not an ordinance prohibiting the riding of bicycles on sidewalks. He said that it seemed to be a common practice all over the city to ride on the walks and that people also hauled coal in push carts along the walks making it almost impossible for pedestrians to use the walks.

George Brown was present and spoke briefly. Mr. Brown complimented the council on the work that is being done with the wheel tax money. He said, however, that most of the railroad crossings were in bad condition and should be fixed. The aldermen agreed with Mr. Brown that this was true in many instances. The clerk was instructed to notify railroad officials to at once proceed to place all crossings in good condition inside the city limits.

There being no further business the council, on motion, adjourned.

CHANGE IN TEXT BOOKS

Supt. H. H. Vasconcellos has recommended a change of several text books in the county schools. In place of Harper's geography he has recommended the Frye-Atwood book. In place of Harper's Reader the Baldwin-Bender book. The speller used has been Read's word lessons and Mr. Vasconcellos has recommended the Parker-Zoozilo Speller.

The new geography was made necessary because of the many changes that have taken place in recent years. The other text books that the superintendent believes should be discarded have been in use a great many years and the ones recommended offer a number of advantages.

INTERESTING RELATIONSHIP

Jacksonville people will be interested in knowing that Mrs. Thomas Duffner is a sister-in-law of Mrs. Daniel Mahoney, only daughter of Gov. Cox of Ohio. Democratic presidential nominee. Mr. Mahoney's home was originally in Springfield.

During the war time he was in the army service and while at a camp in Ohio met Miss Helen Cox. Their marriage occurred shortly after the signing of the armistice and they are now resident in Dayton, Ohio. Mr. Mahoney is identified with the management of his father-in-law's newspaper, the Dayton News.

L. E. STAFF BACK FROM CONVENTION

L. E. Staff returned recently from Chicago where he has been attending the annual convention of the American Osteopathic association which was in session the week of June 28 to July 3. This was one of the best attended and most interesting the association has ever held, according to the doctor.

Russell Hamilton of Naples made the city a call yesterday.

Social Events

Met After Five Years.

A number of former employees of the F. J. Waddell & Co., store enjoyed a dinner at Nichols park Sunday. The event was in accordance with an agreement made five years ago by a group of young women associated with the store. They agreed at that time to attend a reunion July 4, 1920. Not all of these who made the agreement were able to attend but most of them were present. Two brought husbands with them.

The company included: Misses Louise Wood, Bernice Dods, worth, Gertrude Manchester, Laura Brune, all of Jacksonville; Edna Hall of Springfield; Mr. and Mrs. Elmer Sooy of Manchester; Mr. and Mrs. Donald Robinson, of east of the city.

Birthday Dinner Given at Culp Home Sunday

Sunday was the birthday anniversary of a number of persons and the event was celebrated at the home of Mr. and Mrs. Luther Culp in a very happy manner. It was the birthday of Mr. Culp, Miss Dorothy Myers and David Myers, children of Mr. and Mrs. John Myers residing near Winchester.

At the noon hour a company of about thirty-five sat down to a most elaborate dinner prepared by Mrs. Culp. The afternoon hours were spent in delightful social way and before the guests departed refreshments of ice cream and cake and cake were served.

Entertained Friends At 4th of July Dinner

Mr. and Mrs. W. R. Burmeister entertained a number of friends and relatives at dinner Monday at their home near Sinclair. The guests arrived during the morning and the entire day was spent in a very pleasant way. Several musical selections were given by Mrs. Ruby Treat of Springfield, and there were various other features which made the occasion a memorable one.

The guests were Mr. and Mrs. George Burmeister and family; Mr. and Mrs. Bert Settles of Sinclair; Mr. and Mrs. H. S. Rayborn, Mr. and Mrs. Fred Jameson and family; Mr. and Mrs. John Burmeister, Mr. and Mrs. Edgar Mills and family of Shiloh, T. E. Holbrook of Jacksonville, Mr. and Mrs. Philip R. Winn and family; Mrs. Ruby Treat and baby, Lou Winn, all of Springfield.

Mrs. A. E. Curry Entertains Orleans Country Club

The Orleans Country Club met yesterday afternoon at the home of Mrs. A. E. Curry at Pisgah. There were twenty-four members present and they enjoyed the following program:

Vocal Solo—Miss Helen Leach accompanied by Miss Helen Jackson.

Readings, From Service—Mrs. Drury.

Reading—Miss Bernice Wood.

The members of the club are much interested in the presidential candidates and want to know just where they stand on the prohibition question. However, without this knowledge they took a straw vote and selected Harding by a vote of eighteen to six.

The hostess served delicious refreshments after the program. The next meeting will be held at the home of Mrs. James Holmes and the members are requested to come prepared to give an item of interest in regard to the life of one of the presidential candidates.

Woodson Ladies' Aid Met.

The Ladies' Aid society of the Christian church met this afternoon at the home of Mrs. George Thies. There were about forty-five members present. After a business session and the program the hostess assisted by Miss Ida Meggison and Miss Edith Watson, served refreshments.

The society will serve burgoo soup, sandwiches and pie in the basement of the church on July 15th.

The August meeting will be held at the home of Miss Nettie Edard. She will be assisted by Miss Margaret Owings, and Miss Fanny Harney.

Mrs. S. W. Black Entertains

W. F. M. S. of Grace Church. Mrs. S. W. Black entertained the Woman's Foreign Missionary society at her home on West College avenue yesterday afternoon. Mrs. A. B. Applebee had charge of the program. The hostess served refreshments after the program.

Cumming Family Held Reunion in East Peoria.

The home of A. B. Cumming was the scene of a happy gathering Sunday when the 92nd birthday of Mother Cumming was observed. It was also the 67th anniversary of her marriage.

Last winter she had an attack of the flu and it was feared she would not be able to stand the excitement incident to the celebration. However, when the subject was broached she was very anxious that it be held. Accordingly word was sent out to the members of the family and the seven sons and their families gathered for the occasion.

The home was appropriately decorated for the occasion. A large flag was festooned over the porch entrance and the interior decorations were red, white and blue streamers and small flags. The word "mother" was suspended over the archway leading to the parlor and here the guests were received.

Mother Cumming occupied the seat of honor at the head of the table with her youngest son seated at her left. The other sons were arranged according to their ages with an uncle at the foot of the table. The birthday cake was baked by Mrs. Annie Cumming and decorated by a granddaughter, Helen Cumming. The children

URGES PEOPLE TO FIGHT CATARRH WITH SIMPLE HOME MADE REMEDY

Can Make Pint at Home and Costs Little, Says Leading
Druggist of Covington, Ky., Who Has Made
Special Study of Catarrh.

Says: Inflamed Nostrils Invite Influenza

People who say that catarrh is a disease not to be taken seriously are harshly rebuked by a Kentucky druggist who has for years been much interested in the growth of this loathsome, yet altogether too common disease.

He claims that the sore, tender, inflamed membrane of the nostrils and throat is a prolific breeding ground for germs—not only the germs of influenza, but many other kinds as well.

If people would only stop experimenting for two weeks and try a simple remedy made of Mentholized Arcline mixed with enough boiled water to make a full pint, half of the catarrh in this country would be abolished. It's really no joke for people

who don't know about this simple recipe to be constantly sniffing and snuffing, blowing and hawking, when all these obnoxious symptoms as well as the foul discharge can be made to disappear in a few days.

Ask for three-quarters of an ounce of Mentholized Arcline—that's all you need and after you have mixed it with enough boiled water to make a pint, gargle the throat twice daily and sniff or spray some up the nostrils, as directed.

The tender nostrils will soon lose their soreness, heal up, and be clean and healthy.

Important Reminder: Just as soon as anyone in the family gets a cold in the head, check it at once with this same medicine.

MEREDOSIA RESIDENT HAS PAINFUL INJURY

T. W. Burdick Sustains Cut on
Wrist When He Cranks Car
Samuel Bennett is Visitor from
Kansas — Other Meredosia
News.

Meredosia, July 6. — A large
number of our citizens celebrat-
ed the Fourth by spending it on
the water fishing.

Mr. and Mrs. Harry Masterson,
Louis Hull, Mrs. Ruth Davenport,
and Miss Maude Winningham of
Springfield were guests of Mr.
and Mrs. Charles Winningham
Sunday and Monday.

T. W. Burdick, editor of The
Budget had the misfortune to
cut his wrist badly Saturday eve-
ning. He was trying to crank his
car when the tin plate bearing
the number slipped down and the
hand came in contact with it,
with such force that it caused
the wound. He will be compelled
to carry his hand in a sling for
several days.

Samuel Bennett of Girard,
Kan., is visiting his son Gus and
wife.

I. A. Hildebrand of St. Louis
spent Sunday with his wife and
daughter.

Mr. and Mrs. Will Sites and
two children, Josephine and
Howard, of Beardstown, were
guests of Mr. and Mrs. L. F. Ber-
ger, Monday.

The gospel team of the Centen-
ary church, Jacksonville, occu-
pied the pulpit at the Methodist
church Sunday evening. The team
was composed of C. W. Boston,
C. S. Smith, George Deatherage,
J. G. Berger and Mr. Rapp. Ad-
dresses were made by them and
the services were profitable and
interesting.

Milton Moon and son Carl of
Alton, are visiting relatives here
this week.

Fred Payne and children, El-
leen and Victory, returned to the
I. O. O. F. home at Lincoln Mon-
day, the children having been
spending their vacation at the
home of Mr. and Mrs. John Yea-
kel.

Louis and Newton Chrisman of
Chapin were guests of Mr. and
Mrs. Edward Hyatt, Sunday.

I. C. Kratz left Saturday for
Enterprise, Kan., on a business
trip.

Mrs. Kate Carner and son Will
of St. Louis arrived Saturday to
look after business affairs here.

Fred Fouch and three sons of
St. Louis arrived Saturday for a
visit with his mother, Mrs.
Minnie Fouch. They returned
home Monday accompanied by
Mr. and Mrs. Henry Hinners.

Mr. and Mrs. Higginson of Vir-
ginia, Mr. and Mrs. Henry Zahn
of Arenzville, were guests of Mr.
and Mrs. George Unland Sunday.

Mr. and Mrs. Will Unland and
children of Beardstown were vis-
iting relatives here Sunday.

Earl Pond of Beardstown
spent the week end with his wife
and other relatives.

Mr. and Mrs. Will Wilday re-
turned here Sunday from Pitts-
field where they had been spend-
ing the week. They were accom-
panied home by Mrs. Ellen Giger.
Mr. and Mrs. Roy Unland and
family motored to Jacksonville
Sunday and spent the day with
Grover Beeley and family.

Mr. and Mrs. W. T. Hedenberg
of Versailles motored to this
place Sunday and were then ac-
companied by Mr. and Mrs. J. H.
Looman to Chapin where they vis-
ited at the home of Mr. and Mrs.
Charles Thomson.

Mrs. Charles Hale and son Ar-
thur of Springfield spent the week
end at the home of Mr. and
Mrs. W. J. Hale.

Oren Hale of Des Moines, Ia.,
arrived Saturday to visit his pa-
rents, Mr. and Mrs. W. J. Hale.

Dr. H. H. Hamman, wife and
son Bernard spent the week end
with Rev. Peter Kittel and wife
at Camp Point.

Mr. and Mrs. Albert Butcher
and son Will motored to Barry
Sunday to visit Gus Butcher and
family.

Mrs. W. G. Looman and son
Kenneth motored down from Peo-
ria Saturday and visited home
folks here until Monday. They
were accompanied home by Mrs.
Esther James.

Mr. and Mrs. George Anderson
and son of Wichita, Kan., ar-
rived Saturday to visit Mr. and
Mrs. Will Nunn.

Miss Addie Bauser of Pittsfield
spent the week end with her pa-
rents, Mr. and Mrs. Eli Bauser.

S. J. Barnett and Henry Kees-
ler were Jacksonville visitors Fri-
day.

Mrs. John Floyd passed away
at her home in this place Thurs-
day night after a lingering ill-
ness which finally developed into
spinal meningitis. Her maiden
name was Margaret Surratt and
she was thirty-seven years of age.
She is survived by her husband
and three sons, Harvey, Ray and
Arthur and one daughter, Goldie.
Funeral services were held Fri-
day afternoon at the Church of
Christ, Edward Potter conducting
the services. Interment took
place in Oakland cemetery.

her mother, Mrs. John Dennis.

Miss Olivia Driscoll spent Mon-
day with relatives at Griggsville.

Mrs. Pfinninger and daughter,
Miss Lena, of Milton, were guests
of the former's daughter, Mrs. C.
P. Hedrick Sunday and Monday.

Mrs. Pfinninger was accompanied
home by Eugene Hedrick. Miss
Lena remained until Thursday.

Mr. and Mrs. Guy Patrick and
two children of Quincy were
guests of Mrs. Anna Vonderheid
from Saturday until Monday.

Mrs. L. H. Wegehof of Beard-
stown and Byron Summers of Peo-
ria arrived on the boat Monday to
visit Mr. and Mrs. Charles Sum-
mers.

DURBIN

George Voss, Mrs. T. W. De-
vine and Misses Adele, Blanche
and Catherine Devine of East St.
Louis, were visitors at the home
of J. W. Scott Saturday and Sun-
day.

Mr. Voss and Mrs. Devine
are brother and sister of Mrs.
Scott. The trip was made by
auto.

The infant daughter of Mr. and
Mrs. Edgar Oxley was buried at
Providence Sunday afternoon.

The W. F. M. S. is to meet with
Mrs. Grace McDevitt in South
Jacksonville Wednesday after-
noon.

Mr. and Mrs. Howard Kessler
of New Market, Ind., were guests
of Mr. and Mrs. Clarence Hawker
last week. They made the trip
by auto.

URGE THAT ARGENTINES BE SENT TO STATES

Buenos Aires Paper Advocates
Sending Young Citizens to
American Universities.

Buenos Aires.—Young Argen-
tines by the thousands ought to
be sent to North American uni-
versities, says La Prensa, "in
order to assimilate the manners
of work, the methods of scientific
investigation, the rapidity of
execution and above all the vigor
and eager vitality that character-
izes North American life."

Out of 6,636 foreign students
now enrolled in the larger univer-
sities of the United States, only
14 are Argentines, says the news-
paper. Argentines have been
called the "Yankees of South
America" by other countries of
the continent but these figures
go to disprove the statement that
"the vital Yankee tone" with
which the Argentine people are
credited has been transmitted by
Argentine youths who have re-
turned from North American
centers of learning.

"The character of Argentine
energy is not a consequence,"
continues La Prensa, "of an imi-
tation of the pushing orth Ameri-
can life. Our progress is due to
our own effort, the effort of Ar-
gentines who reside among us. And
until now, when happily the orth
Americans are beginning to direct
their action toward this country,
the influence of capital has been
European, especially English."

Need Speed and Vigor.

"But there is no doubt that it
would be beyond measure advan-
tageous to be found in the spirit
of our people some of that vigor
and speed which North Ameri-
cans know how to put in all
their activities."

Even "progressive and agile
France," learned a lesson in
celerity of initiative from the
United States during the war,
says the paper, adding the initia-
tive of Argentines "suffers from
that slowness, that excess of
criticism, those discouragements
and vacillations peculiar to the
Latin race."

CHICAGO'S FOREIGN BORN
POPULATION VAST

Chicago, Ill., July 5. — Less
than half of the population of
Chicago was drawn from Illinois,
census figures show. Two-thirds
of the remainder came from fore-
ign lands. The last third was
contributed freely by other states
of the union to make Chicago the
second largest city in the country.

Of Chicago's population of 2,
701,212 those born outside the
state numbered 1,443,598. Of
these 944,160 were born abroad
and 499,438 hailed originally
from some other commonwealth
in the United States.

Of this last source of Chicago's
population, New York state sent
more of its sons and daughters to
Chicago than did any other state.

Ohio was next in contributing
to Chicago's population. It gave
50,223 of the city's residents.

Wisconsin stands third with
49,025. Indiana came fourth
with 45,979. Other
states and their citizens that the
census takers found in Chicago
are:

Michigan, 38,864; Pennsylv-
ania, 34,002; Minnesota, 26,638;
Missouri, 23,615; Kentucky, 17,
751; Massachusetts, 11,078; Kan-
sas, 6,693; Nebraska, 4,773; South
Dakota, 1,200; North Dakota, 639;
Oklahoma, 355.

DISCOVERS BLIND
FISH IN INDIANA

Bloomington, Ind., July 5.—
fish have been discovered in the
southern part of Indiana by Prof.
C. H. Elgerman, head of the zoo-
logy department of Indiana Uni-
versity and internationally known
authority in blind fishes. The
find was made in underground
rivers in caves that geologists de-
clared to be from 3,000,000 to 5,
000,000 years old. Dr. Elgerman
said this gives some concep-
tion of the time required for the
fish to pass from the ordinary
variety with eyes to their present
blindness.

The specimens were found in
the Mitchell caves in Orange
county. The female, according to
the professor, convey the eggs

into the gill cavity; thus she acts
as an animated hatchery until
the young are able to take care of
themselves. The eyes of the
young begin to lag behind the
development, then they begin to
degenerate and in old age only
small specks of black pigment
shows where they should be.

Miss June Phillips of Savan-
na was a city visitor yesterday.

CHICAGO TAKES HARD HITTING GAME

In Free Batting Game Barber of the Cubs Gets Five Hits Out of Six Times at Bat.

St. Louis, July 6.—Chicago defeated St. Louis 12 to 8 in a free batting contest today, marked principally by the ineffectiveness of the pitchers of both teams. Barber hit safely in five of his six trips to the plate. The score: Chicago AB. R. H. O. A. E. Twombly, rf. 5 2 2 4 1 0 Hollocher, ss. 5 4 4 1 4 0 Terry, 2b. 5 2 3 2 6 0 Robertson, lf. 4 0 1 2 0 1 Friberg, lf. 0 0 0 0 0 0 Barber, 1b. 6 0 5 11 0 0 Paskert, cf. 4 1 3 5 0 1 Herzog, 3b. 5 0 0 0 2 1 O'Farrell, c. 5 2 2 2 0 0 Carter, p. 3 1 1 0 2 1 Martin, p. 1 0 1 0 0 0 Daly, z. 1 0 1 0 0 0 Totals .. 46 12 23 27 15 4 x—Batted for Robertson in 9th.

SPENT DAY AT RIVER
Dr. R. R. Jones and family, George Cunningham and family, W. T. Craig and wife, George Craig, Jack Westover of Woodson and Mrs. Clark Green of this city spent Monday at the LaGrange locks and had a very pleasant outing. The Woodson people have an island just below the locks which is a most desirable place for fishing.

CRIME WAVE IN GERMANY CONTINUED

Jails Filled to Capacity With Thieving Fraternity — Burglars Loot Mausoleum of Marshal Von Moltke.

Berlin.—The wave of criminality in Germany shows no sign of abating. Jails are filled to capacity with the thieving fraternity, from those guilty of grand larceny down to the sneak thieves of the big city streets. Very often new arrivals have to be temporarily released from custody owing to lack of room in the penitentiaries. Here are some of the principal thefts and robberies reported in the last few days.

Burglars broke into the Berlin stock exchange and forced a safe open from which they took 3,500 marks and five typewriters. At Kreisan, the mausoleum of Field Marshal Von Moltke was broken open and the silver wreaths and crosses stolen from the sarcophagus. The Field Marshal's sword was found broken.

A band of armed robbers forced their way into the burgomaster's house at Paaren near Nauen, appropriated 50,000 marks belonging to the village treasury and left the burgomaster tied to a chair.

At Fallersleben near Brunswick the author of a theft from a seal freight car was traced and several carloads of stolen goods were discovered hidden. The thief was a candidate for a town councilorship.

At Spandau, a mortuary chapel was stripped of its leaded window panes. Another mortuary chapel at Staaken was stripped of its zinc roof.

In a popular Berlin suburb, a woman who was shopping left her baby in a perambulator outside the store for a few minutes, the perambulator disappeared and the baby was found half naked in a doorway.

Miss Mary Barry of Merritt and her niece, Varena and Robertine, spent the Fourth of July with Miss Hattie Barry on South Kosciusko street.

CHICAGO WARDS HAVE LARGE POPULATIONS

Chicago, Ill., July 5.—Several of Chicago's wards report populations larger than were recorded for Wyoming and Nevada in 1910, which led jocular friends of aldermen in these halliwicks to dub the "senators."

The twenty-seventh ward comprises 20.2 square miles with a population of 150,244. The twenty-fifth ward has 122,731 inhabitants.

Mrs. Thomas Stout of Virginia made the city a call yesterday.

LUCKY STRIKE
"IT'S TOASTED"

LUCKY STRIKE CIGARETTE

It is made from the finest tobacco—
toasted—not raw tobacco.

Our famous toasting process develops all the special and delightful Burley flavor

(nothing like it) and "seals" it in. In this way you always have the flavor fresh when you light a Lucky Strike cigarette.

Until you try one you can have no idea what an unequalled flavor results. Remember—it's toasted.

LUCKY STRIKE PIPE TOBACCO

It is made from the finest tobacco—
toasted—not raw tobacco.

Our famous toasting process develops all the special and delightful Burley flavor

"seals" it in and takes out every bit of bite. This is the same toasting process that made Lucky Strike cigarette the greatest success in cigarette manufacturing.

Buy a tin today and try toasted tobacco in your pipe.

IT'S TOASTED

Guaranteed by
The American Tobacco Co.

—which means that if you don't like LUCKY STRIKE you can get your money back from the dealer

Playing No Favorites

THE crude petroleum market plays no favorites. All refiners come to it on equal terms.

The Standard Oil Company (Indiana) is no exception to this rule. It buys the crude oil it needs in the open market and pays the market price.

Only an infinitesimal part of the crude oil used by the Standard Oil Company (Indiana) comes from wells in which it has even an indirect interest.

The Standard Oil Company (Indiana) concentrates its attention upon the highly specialized business of refining crude oil. It sticks to its knitting.

In the past four years the demand for the refined products of petroleum has more than doubled, while the increase in the production of crude has been only about 25 percent.

This growing demand, plus the increased cost of drilling and equipping wells, has caused the price of crude petroleum to advance.

The market price of crude oil is a dominant factor in the price which the Standard Oil Company (Indiana) charges for gasoline. Wherever possible the Company anticipates the trend of the market in making its contracts for crude petroleum. Whatever benefits it derives accrues to the public in lower gasoline prices.

The price charged by the Standard Oil Company (Indiana) for gasoline has advanced, but not to the extent warranted by the advance in the cost of crude oil.

The cost of this commodity to the consumer would be very much higher were it not for the fact that the Standard Oil Company (Indiana), through more efficient refining methods, is able to utilize and make into useful products all portions of the crude petroleum.

The extreme economy and efficiency of the Standard Oil Company (Indiana) refining and distributing methods have acted as a deterrent upon the upward trend of gasoline prices.

This Company gives its customers in the 11 Middle Western states which it serves the benefits derived from any savings which it effects in the refining of gasoline and other petroleum products.

ASHLAND CHAUTAUQUA IN FIVE DAY PROGRAM

Fine Platform Talent Appears in Community Chautauqua in Ashland—Miss Giddis Leaves for Kentucky—Other News.

Ashland, July 6.—The community chautauqua which opened here last Tuesday with a five day program, included some of the best platform talent of the country, which was very much enjoyed by all present. The chautauqua promises to come again next year.

John Suydan, one of Ashland's aged and respected citizens died at his home here last Wednesday night at 11:30 o'clock following a paralytic stroke received Sunday.

Funeral services were held at the M. E. church Saturday morning at 10 o'clock, and interment made in Ashland cemetery.

Miss Mabel Carder, returned Tuesday, from an extended visit with her sister, Mrs. John Dabard, Jr., of Palmyra, Mo.

Miss Helen Bennett of Jacksonville was the guest of Mrs. Raymond Mann, the past week. Mr. and Mrs. O. N. McDaniel and daughter, Olive, are visiting relatives at Nokomis, Ill., this week.

Miss Dorothy Smith is the guest of Miss Gertrude Riley near Eckman Chapel this week. John McDaniel, of Peoria, spent Sunday here.

Mr. and Mrs. Earl Valentine of Woodrider, visited relatives here over Sunday.

John Carlin of Iowa, visited relatives here last week.

Miss Mae Giddis left Thursday for an extended visit with relatives near Louisville, Ky.

Mrs. Marion Bandy of White Hall and Mr. and Mrs. George

Lee, of St. Louis, visited over Sunday with Mr. and Mrs. D. S. Koonitz.

Mr. and Mrs. C. Couchman were both badly injured last Saturday, when the car in which they were riding, was overturned. The accident happened on the road north of town.

Mr. and Mrs. Couchman were at once brought to Ashland hospital, where examination showed both had their collar bone broken and were otherwise badly bruised and shaken up.

U. S. MAY PARTICIPATE IN AERONAUTIC MEETING

Paris.—The United States is the only large country which has not promised to participate in the international aeronautic meeting to be held in connection with the Olympic Games in Antwerp, July 17 to 21 inclusive.

The exhibition is being arranged by the Aero Club of Belgium under the patronage of King Albert, who has especially requested that America take part in the meeting. The Belgian Aero Club has asked that the NC-4, the United States' navy seaplane which crossed the Atlantic, be exhibited in Antwerp during the international aeronautic meeting.

Up to the present time no effort has been made by the United States army to arrange for American participation.

Sidney B. Veit, who will represent the Aero Club of America at the Antwerp meeting told The Associated Press, correspondent, America should make a strong effort to be represented at the meeting. It would be an excellent opportunity to demonstrate what the United States has done in the development of aeronautics, he added.

Mr. Veit appealed to all Americans to see that the country which has given so much in development of aeronautics, be represented at the international meeting.

France will be strongly represented by some of her best aviators and England also is planning to be a keen contender, for the many substantial prizes.

Car load Havoline Oil on Burlington tracks. A real bargain in barrel lots if taken from car. Will be unloaded Tuesday. Call C. M. STRAWN.

BELIEVES AMERICA WILL BE FOREVER DRY

London, July 6.—Evangeline Booth, head of the Salvation Army in America has told British newspapermen that should prohibition in the United States be repealed "over the protests of the women, I will fill America from sea to sea with parades of children bearing banners and no liquor interests could prevail against these demonstrations." She said, however, in her opinion "the mothers of America will keep that country forever dry."

Miss Booth declared prohibition had "reduced accidents by half in the United States, had promoted health, and done away with the hobo and unemployment," but she added crime had not appreciably decreased because of effects of the "great war strain."

The Salvation Army Industrial house will have to be put to other uses than shelter for unemployed, hungry men, she said, because the men who formerly sought refuge in them now are earning wages which enables them to pay for the accommodations.

EVANSTON'S FAMOUS TREE TO BE SAVED

Chicago, Ill., July 2.—Evanston's sacred ichow tree will be saved, by sawing a home into two.

For many years, the fashionable north shore suburb has had three landmarks, the Frances Willard cottage, Northwestern University, and the ichow or "jinko" tree, a rare specimen from Japan.

Victor Carlson was moving his house, and the tree stood in the way. Instead of cutting it down he cut the house in two. When the house is in place in the new location the tree is to be transplanted there.

The ichow tree, according to Japanese legend, bears fruit but once each thousand years, but when the year does come its nuts are said to make up in juiciness and flavor for the long wait.

Evanston's tree has not yet borne fruit, but is expected to some time in the next ten centuries.

Roadhouse had a pretty big time Monday. The passengers to the place filled the coaches and baggage car of the Alton train and when it reached Nebo they had to attach a freight car to accommodate the throng seeking passage.

FLAVO IS THE ONLY FLOUR with the sweetness, aroma and nut-like flavor of the wheat. Your grocer will tell you that. He knows flour quality and can safely advise you to buy this superlative nature-flavored flour.

THERE ARE OTHER WAYS of making flour but only one for FLAVO. That's by the new patented MARVEL process which retains the wheat's health building vitamins and preserves its native deliciousness.

FLAVO IS DELIGHTFULLY DIFFERENT. Prove it yourself at our expense. Every pound is sold on a money back basis.

ELDREDGE FUNERAL IS HELD AT WAVERLY

Remains of Frank Eldredge Interred Sunday Afternoon—Miss Horstman Returns from St. Louis Visit — Other Waverly News.

Waverly, Ill., July 6.—Funeral services were held at 3 o'clock p. m. Sunday at the home of Mrs. Frank Eldredge over the remains of their son, who was killed by lightning Saturday afternoon. Rev. F. E. Smith, pastor of the First M. E. church had charge of the services and the body was laid to rest in the East cemetery.

Mrs. Ethel Smith and little daughter of Chicago, arrived for a visit with her grandparents, Mr. and Mrs. Ferdinand Powers.

Mr. and Mrs. Edward Hugs of Springfield are visiting at the home of Mrs. Hugs's father, Charles Teels.

Mr. and Mrs. Irving Hains of Virden spent the day with Mrs. Hains' parents Mr. and Mrs. William Taylor.

Mrs. S. L. Richardson and Mrs. J. L. Adcock and daughter, Eva returned from a visit in Virden at the home of Mr. and Mrs. Glenn Entwiss and Mr. and Mrs. E. L. Tragert, Springfield.

Miss Pauline Kennedy of Springfield is visiting at the home of Thos. Burns.

Mrs. A. D. Burbank of Springfield spent several days at the home of Elder and Mrs. John Colue.

Mr. and Mrs. Glenn Harney spent the day with relatives Franklin.

CALIFORNIA VISITORS

Mrs. Titus Phillips and mother, Sarah E. Johnson of Alhambra, Cal., arrived in the city Sunday for a visit at the home of Mrs. John Lambert and daughter and other relatives. They left California two weeks ago in their Overland car and covered 2,300 miles, making side trips to the Grand Canyon and the Petrified Forest. They will continue their trip to Michigan to visit relatives for a month, then return to Jacksonville to finish their visit. Mrs. Phillips has driven the entire trip herself and experienced very little trouble.
